PROPER POSTURE FOR PRAYER DURING THE EASTER SEASON

From Resurrection Matins until the Kneeling Prayers of Pentecost the proper posture for all prayer is to stand rather than to kneel. Standing is a sign of joy. And what greater joy do we have other than the Resurrection of Christ? After the celebration of Pentecost the proper posture for prayer during the celebration of the Divine Liturgy is to stand during the times OLPH has been used to kneeling. This is because each Divine Liturgy is a celebration of the Resurrection. All of the parishes in the Metropolitan Church of Pittsburgh have been following this directive of the Bishops which was promulgated in 2006. This is a restoration of true Eastern Tradition. **If it is not physically possible for you to stand, please feel free to kneel or sit.** You may begin standing during the Divine Liturgies now if you wish to. If you have any questions about this, please do not hesitate to ask Fr. Ed.

PRAYER to

St. Thomas the Apostle

Almighty and everliving God, who strengthened your apostle Thomas with sure and certain faith in your Son's resurrection: Grant us so perfectly and without doubt to believe in Jesus Christ, our Lord

and our God, that our faith may never be found wanting in your sight; through him who lives and reigns with you and the Holy Spirit, one God, now and forever. AMEN
